Note: The Court will only be billed for those services offered that are not reimbursed by State SROP funds or State MAT funds.

*The Clark Community Mental Health Center would like to reserve the right to increase the price of assessments if the State increases the cost of these services. Unless a new service offering is marked to be provided in the coming year, the proposed cost for all services other than assessments have not increased.

Evidence Based Program and Practice curriculum being utilized:

The Clark Community Mental Health Center provides CSTAR and SATOP services. Both programs are certified by the Missouri Department of Mental Health, and the CSTAR and mental health outpatient programs are accredited by the Commission on Accreditation of Rehabilitation Facilities (CARF) as an Outpatient Treatment: Integrated: AOD/MH program. We also provide MAT services.

Which Cognitive Behavioral intervention staff is qualified to deliver:

Though the Clark Community Mental Health Center does not ascribe to a particular CBT model, the agency has a number of AOD counselors certified by the Department of Mental Health, including those who are licensed professional counselors trained in common CBT practices.

Please indicate if Medication Assisted Treatment (MAT) is provided. If you do not provide MAT, how and with whom MAT services are arranged and how all services are coordinated.

Medication Assisted Treatment (MAT) is provided by Clark Community Mental Health Center prescribers and nurses.

Below is a list of the Judicial Circuits and Counties in the State of Missouri. Check either the applicable counties or the entire Judicial Circuit(s) that your agency shall provide services. Check the appropriate level of service and the applicable gender that shall be provided: DWI, Adult, Veterans, Family and Juvenile.

JUDICIAL CIRCUIT	COUNTY	DWI	ADULT	FAMILY	VETERANS	JUVENILE	MALE	FEMALE
39	Barry	X	X				X	X
39	Lawrence	X	X				X	X
39	Stone							

Note: The Clark Community Mental Health Center understands that “it is highly desirable that the contractor provide services for all counties within a judicial circuit.” However, the agency also has understanding that the Drug Court providers in Barry and Stone Counties are well-established. We will continue to serve the Lawrence County Courts as we have in the last year. Additionally, we have understanding that the Barry County Court has needs for this agency to serve DWI court clients as well as some Drug Court clients. We request that Barry County be added to the contract so that we can assist with some of the Barry County Court needs.
