A CHEMICAL DEPENDENCY TREATMENT PROGRAM
C-Star Program

Office of State Courts Administrator
Attn: Contract Unit
2112 Industrial Dr.
Jefferson City, MO 65109

To Whom It May Concern:

On behalf of New Beginnings C-STAR, Inc, I am pleased to present you with the enclosed **Request for Proposal for Specialized Treatment Provider for Treatment Court**. I am certain you will find the information in line with your needs.

New Beginnings is a non-profit organization that provides outpatient substance abuse treatment counseling to adults. We have served Missouri residents since 1991. New Beginnings currently employs 25 Missourians to carry out its mission: *to change the negative consequences of chemical dependency with the ultimate goal of sobriety and improved individual, family and social functioning*. The programs operated by New Beginnings are outlined below:

- a. C-Star General Population Program
- b. Alt Care Women and Children C-Star Program
- c. Adult Drug Court

New Beginnings' primary focus is to treat people with the disease of chemical dependency. Our philosophy is that chemical dependency is a primary, progressive, potentially fatal chronic disease. The disease has serious negative consequences for the individual, family and significant others. The etiology of the disease reflects complex interactions of emotional, behavioral, social genetic and biological factors. The disease, while incurable, is highly treatable.

Thank you for the opportunity to continue to serve you. We look forward to hearing from you after you have reviewed the proposal

Regards,

NOTICE OF AWARD (OSCA USE ONLY)

ACCEPTED BY OFFICE OF STATE COURTS ADMINISTRATOR AS FOLLOWS:		
CONTRACT NO.	CONTRACT PERIOD	
CONTRACTS COORDINATOR	DATE	DEPUTY STATE COURTS ADMINISTRATOR

1.0 INTRODUCTION AND GENERAL INFORMATION

- 1.0.1 This document constitutes a Request for Proposals (RFP) from prospective vendors for the development of a qualified vendor list for various specialized services related to drug treatment programs. These programs will be used as directed by the treatment courts located in various counties throughout the state of Missouri. Contracts established as a result of this RFP, will be used on an as needed, if needed basis, in accordance with the requirements and provisions stated herein.
- 1.0.2 The resulting contracts shall not be construed as an exclusive agreement. The Office of State Courts Administrator hereafter referred to as OSCA, or the local treatment court(s) reserve the right to secure identical and/or similar services from other sources at any time in conjunction with, or in replacement of the services acquired hereunder. On a case-by-case basis, the selection of treatment providers shall be at the sole discretion of the local treatment court.
- 1.1 Background Information**
OSCA on behalf of the Drug Courts Coordinating Commission (DCCC) is seeking to establish contracts for substance abuse treatment services to help address the needs of substance abusing participants for the treatment court programs in the state of Missouri. The following types of treatment court programs are currently in operation: Adult Drug Court, Family Drug Court, Juvenile Drug Court, Veterans Treatment Court and DWI Court.
- 1.1.1 The courts participate in the development of treatment programs for treatment court participants in various counties throughout the state. See Attachment #1 for a listing of operational treatment courts in Missouri.
- 1.1.2 It shall be the vendor's responsibility to ask questions, request changes or clarification, or otherwise advise OSCA if any language, specifications or requirements of the RFP appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements stated in the RFP to a single source. Any and all communication from vendors regarding specifications, requirements, competitive proposal process, etc., must be directed to OSCA, unless the RFP specifically refers the vendor to another contact. Such communication should be received at least ten (10) calendar days prior to the official proposal response date.
- 1.1.3 Every attempt shall be made to ensure that the vendor receives an adequate and prompt response. However, in order to maintain a fair and equitable procurement process, all vendors will be advised, via the issuance of an amendment to the RFP of any relevant or pertinent information related to the procurement. Therefore, vendors are advised that unless specified elsewhere in the RFP, any questions received less than ten (10) calendar days prior to the RFP opening date may not be answered.
- 1.1.4 Vendors are cautioned that the only official position of OSCA is that which is issued in the RFP or an amendment thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement. OSCA reserves the right to officially amend or cancel an RFP after issuance
- 1.1.5 Unless otherwise specifically stated in the RFP, all specifications and requirements constitute minimum requirements. All proposals must meet or exceed the stated specifications and requirements. Any manufacturer's names, trade names, brand names, information and/or catalog numbers listed in a specification and/or requirement are for informational purposes only and are not intended to limit competition. The vendor may offer any brand which meets or exceeds the specification for any item, but must state the manufacturer's name and model number for any such brands in the proposal. The vendor shall explain, in detail, (1) the reasons why the proposed equivalent meets or exceeds the specifications and/or requirements and (2) why the proposed equivalent should not be considered an exception thereto. Proposals which do not comply with the requirements and specifications are subject to rejection without clarification.
- 1.1.6 OSCA monitors all procurement activities to detect any possibility of deliberate restraint of competition, collusion among vendors, price-fixing by vendors, or any other anticompetitive conduct by vendors which

appears to violate state and federal antitrust laws. Any suspected violation shall be referred to the Missouri Attorney General's Office for appropriate action.

2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the prospective recipient of Federal assistance funds knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the Department of Labor (DOL) may pursue available remedies, including suspension and/or debarment.
3. The prospective recipient of Federal assistance funds shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective recipient of Federal assistance funds learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
